If you are interested in a video, e-mail Dave Ellis (RiverPaPaw@aol.com) to see if the video is available and to arrange to pick it up.

Videos Wanted: The Club Library was created through donations from club members. If you have any paddling videos that you haven't watched recently, think about donating them to the Club Library so that other members can enjoy and learn from them. Bring your videos to the November meeting or give them to any board member who will make sure that they get to Dave.

Note: Some Videos may already be checked out by other members.
